#### **AdvantageHealth is growing by leaps and bounds**

AdvantageHealth is growing! The company has added 50 percent more office space to their Bloomington, MN office location, providing them the opportunity and flexibility to add additional staff and services. AdvantageHealth is energized about the new addition as it will assist the company in maintaining their vision of being the leader in health promotion programs and services.

The new office addition will be used for the development of new programs and services, and will house the newly updated Health Risk Appraisal and preventative screenings programs. These are two examples of the many programs that continue to grow in demand from AdvantageHealth's customer base.

AdvantageHealth Corporation is dedicated to providing the best in class health promotion resources to businesses, community organizations and educational settings. AdvantageHealth manages a variety of national, award-winning health promotion programs and offers a wide array of wellness services such as:

- Wellness Program Consulting
