New Service News

AdvantageHealth Corporation is pleased to announce the addition of Becky Olson as Wellness Services Coordinator.

AdvantageHealth Adds New Wellness Services Coordinator

AdvantageHealth Corporation has hired Becky Olson, formerly of Supervalu Corporation, as their new Wellness Services Coordinator to assist with the increased customer demand for the company's expanding Wellness Services and Health Fairs division.

Becky will be responsible for managing AdvantageHealth's new telephonic Lifestyle Coaching program and leading promotions and sales of current wellness services. Becky comes to AdvantageHealth with over ten years of corporate wellness management experience and comprehensive training in preventive screenings and assessments. She is a welcome addition to AdvantageHealth's professional staff and her extensive background in health promotion and corporate wellness and fitness will assist the company with its continued growth as a leader in health promotion services.

AdvantageHealth Corporation is dedicated to providing best-in-class health promotion resources to businesses, community organizations and educational settings. AdvantageHealth manages a variety of national, award-winning health promotion programs and offers a wide array of wellness services such as:

- Wellness Program Management and Consulting
- Preventive Screenings & Assessments
- Targeted Behavior Change Programs
- Wellness Seminars
- Group Exercise
- Specialty Programming
